*FREE DESIGN SERVICES*

*We believe a vehicle purchase is just the beginning of your customers' shopping experience.*

As an approved and preferred parts store fixture and display vendor for Toyota, we develop fixture and display solutions that optimize your floor space, elevate your merchandise and create an experience that will motivate your customers to buy. With Display Warehouse's consultation and free design services, there is no challenge that cannot be met. From floor fixtures to lifestyle walls, Display Warehouse will transform your Toyota Parts Center into a luxurious retail space where customers can purchase branded items to customize and accessorize their Toyota vehicles.

# WALL DISPLAY

## *Toyota Slatwall Panels*

Perfect as a focal wall to showcase core products, such as car care and maintenance items. To further merchandise complementary products and coordinate a cohesive look, frame it with our custom made fascias and bases.

### **Available Finishes:**

Choice of Laminate with aluminum inserts

**PICTURED ON THIS PAGE**

*Custom textured tire tread slatwall panels with 6" OC and painted to match aluminum inserts. Hand painted "black" with deeply textured style, this is truly a one of a kind wall panel that will complement your automotive products.*

*(Right image: detailed close up shot)*

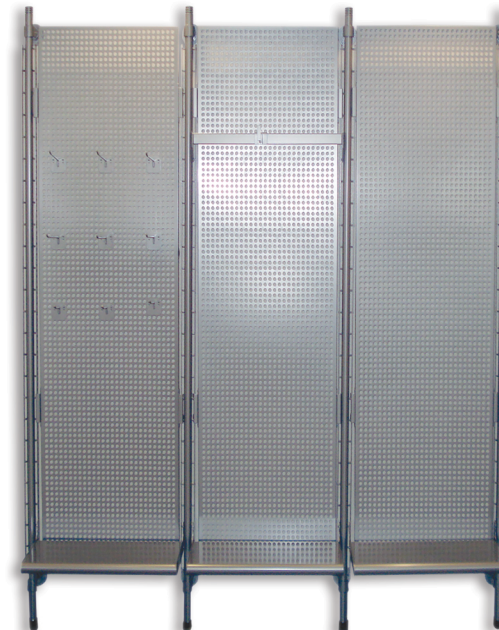

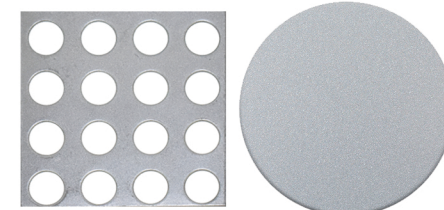

## WALL DISPLAY

*"ACCESSORIES" Perforated Metal*

The perforated metal panels of the "ACCESSORIES" line work well with all cars and SUVs – especially with Tundra and Tacoma. Display your best items for your most popular-selling vehicles. Frame it with slatwall to create a focal wall within your retail parts center.

**Available Finishes:**  
Perforated Metal  
Stardust Silver

## Included with the “ACCESSORIES” Wall:

- (4) Four uprights at 8'-8" H
- (6) Six ½" diameter framed perforated metal panels

### SKU: DWSCP90-P

Overall dimensions: 6'-6"W x 8'-8"H (also available in 84" high)
